

Skate Deterrents

Domes, Bars & Fins

PRODUCT DESCRIPTION:

The Stepsolve Range of Skate Stoppers are manufactured to handle the impact of forces when coming into contact with skateboards. Attractive option to reduce property damage.

DIMENSIONS:

The button skate deterrents come in options of small domed or small cylindrical or large cylindrical. The Bar styles come in Square Nosed style, Bull Nosed or Rectangle. Large 30mm spigots for secure installation. The Fin style skate deterrents come in four sizes.

MATERIALS:

Manufactured from 316 marine grade stainless steel and available with a mill finish.

INSTALLATION:

Very easy to install over most substrates, including timber, concrete, brick and steel structures

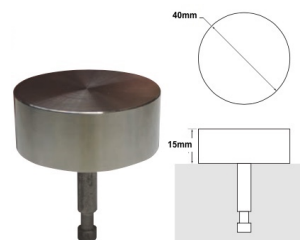

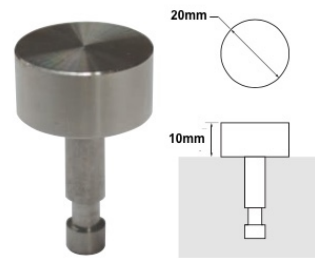

WARRANTY

STEPSOLVE Australia provides a 5 year manufacturer's warranty under normal foot traffic conditions.

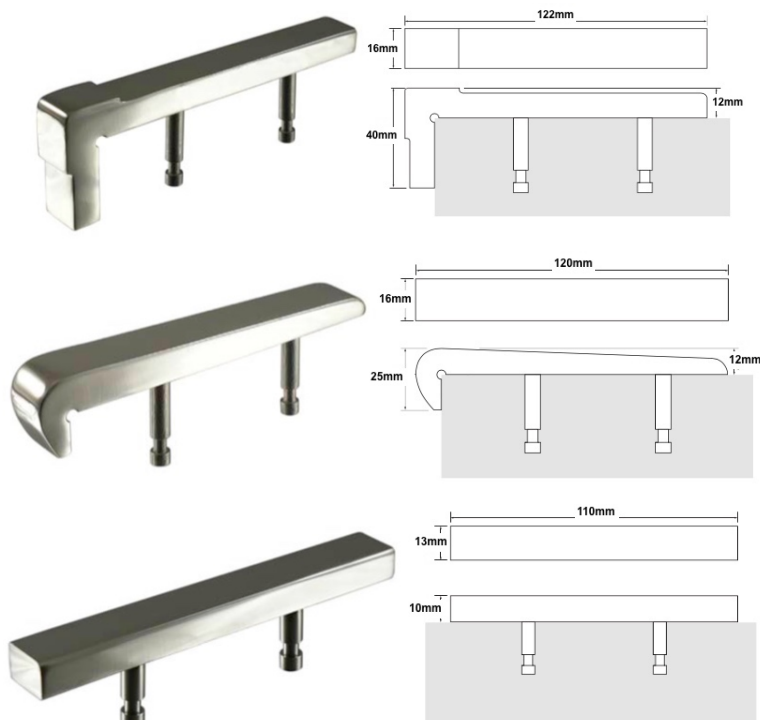

COMPLIANCE

All Stepsolve products comply with the requirements of the Australian Standards and have been tested by CSIRO
